

To whom it may concern,

I respectfully ask that you reject the NAB petition 04-160. The fact that we pay for these services provided by XM Radio, should, in no way, be infringed upon by the NAB. I again urge you to reject this request by the NAB and allow XM to keep it's Instant traffic & Weather as is. It is too good a service to lose by those of us who commute to work long distances every day...

Respectfully,

Kenneth Cecil
